GRAND KNIGHTS MESSAGE

Dear Brother Knights,

Congratulations to the new Columbus Club officers. I know they will do a good job in keeping our facility in shape which sometimes can be an overwhelming job. I also want to remind any member who wants to attend a Columbus Club meeting that you are always welcome. It is always the Monday after Tuesday's meeting starting at 6:30. We would value any input or ideas you have to improve our facility.

Please don't forget to come out to the KC fish fries this Lenten season. What a great opportunity to bring the family and friends out to enjoy a wonderful meal and fellowship. Also, if anyone can help with the serving and clean up please give me a call. Thank you to the ones who have done so in the past. We appreciate the time and talent you give to this event every year.

The State Convention is coming up in Hot Springs on the weekend of April 18th. I will not be able to attend due to my daughter's wedding that day but if anyone needs information or would like to attend, please give me a call.

Please continue to pray for our priests and military. It's good to be a Knight!

Fraternally yours,
Danny Kordsmeier

Cast Your Vote

Our club is in need of some new tables. Many of the tables that we are currently using are old, broke and really un-safe for use. We will be voting at the March 3rd meeting to spend up to \$2100 for some new tables. The monies made from the upcoming fish fries will fund these tables. Plan on attending the March meeting to cast your vote.

My Apologies, I missed getting this in the December newsletter and have completely skipped over it. Thanks to Brother Clem Kordsmeier for sending this type of information to be published.

The Boy Scouts conducted a Change-Out ceremony to replace the worn American and Arkansas flags at the K of C Club the evening of December 10. Our thanks go out to brother knight Alan Moix and the boy scouts of Troop 78 for the donation of the flags and a job well done.

Clean Up Day

We have planned a major clean-up day for Saturday March 14th. Job 1 is cleaning the grounds of all the leaves. There will be other jobs that are way over due. Make plans to put on the working gloves and help keep our club looking good. We will start at 9:00 AM

VALENTINE DINNER

The recent Valentines dinner held at Centennial Hall on February 14th was a huge success. In all of the events that I have attended at the Hall this by far ranks up there as one of the finest. Many thanks goes out to Robert Halter. Robert was the person who pushed this from the beginning. There were many others who were very instrumental in this wonderful event, Mark Bailey, Ron Gatto, Robert Massery, Dan Fields, Tim Hess just to name a few. I know that there were many more and pls forgive me for not having all the names. I also would like to recognize the kids. We had some of the best service in all of Conway on that night because of these kids.

Job Well Done

A big thank you to the Sausage Making Crew. Through their hard work we were able to send The Sisters of Charity of Nazareth a donation of \$5000.00. These people donate many hours of there time to process this sausage from start to finish. The work they do comes straight from the heart. Thank you sausage crew for being so kind!
