GRAND KNIGHTS MESSAGE

Brother Knights,
Thank you to all who helped prepare for our Knight and Family of the Year Banquet on January 21, 2012 – and the cleanup helpers afterward. The time was enjoyed by all attendees in celebrating our Family of the Year Matt and Jackie Elsinger and our Knight of the Year Chris Hoyt. On February 3rd, please remember the KC Wildlife Supper. The event will begin at 5:30pm at Centennial Hall. Please bring your best game and side dishes for the pot luck and your best hunting stories from the season. There will be plenty of refreshments for all and door prizes for the youngens. A Wildlife Supper cup can be purchased for \$5.00 for refreshments and entry for door prize drawings. A 1st Degree exemplification will be held at our meeting on February 7th. All members are encouraged to attend to help celebrate our newest members joining the Order. Candidates should arrive at Centennial Hall no later than 7:00pm to meet with Mike Sartain and complete candidate paperwork. Now for some housekeeping...I am making an appeal to all members who can, to begin taking receipt of our Monthly Newsletter via Email. Even with our current email list of approximately 197 members, our council continues to mail newsletters to over 400

addresses monthly. This represents printing, handling and postage costs of just over \$244 per month or almost \$3,000 per year; costs which will likely continue to increase. I think most would agree that these funds would be better used to support our Council's charitable works. So, please visit our website at www.kofcconway.com. On the Home Page you will find a quick sign-up area to begin receiving our Newsletter via email. (Also, the Newsletter is posted on our site each month prior to our regular meeting.) Thanks in advance for your help!
Vivat Jesus!

Christmas Angels

Thanks to many of our members we had an over whelming response to our "Christmas Angel" program. Our members were given the opportunity to donate money to help some needy families and children for Christmas. We gathered approximately \$850. Paul Chamoun contacted the church and was only able to receive one family for us to assist plus a couple of angles were pulled from an Angel tree and we were able to bring big smiles to two less fortunate children. With the one family and two children we spent a total of \$495 dollars. The decision was made to donate the remaining money to the St. Joseph Community assistance program. Again thank you so much to those who gave. Hopefully next year we can get started a little earlier and raise a little more and help a few more. God bless each of you.

New Youth Activities Co-Chair

Chris Bergschneider is joining our Youth Activities Committee as Co-Chair along with Randy Welch. Thank you Chris for giving of your time to help this worthy cause.

In Memory of Larry Seiter

My friends... My dad told me one time, "Son, if you can count your true friends on one hand, you're a rich man." That is people who would stand beside you no matter what, give you a thousand dollars without question, and back you up & stick beside you no matter what. That is the type of friend I saw in Larry Seiter. He was always trying to help other people. I knew him well. If you tried to pay him for helping you he felt insulted. If you had a problem, he made it his problem. He would say, "Hey let's fix it, or what can I do to help?" The amazing thing about him was that he was everybody's friend because if you needed help, he was going to find a way to help you no matter who you were. When he greeted you it was always with a hardy handshake. One that you knew was from a man who was not afraid of hard work, looking you straight in the eye with that gleaming smile, so as to tell you hello friend! Over the years we all make friends, some are acquaintances, others become friends whom we work with & have good times, a few become best friends because you do so many things together with the same beliefs and you catch yourselves saying the same things at the same time. Then you start laughing at the same time because you know what the other is thinking. Larry always put everybody ahead of himself. Always asking "how is your family or how is this or that?" He was the type of person you want to be like, but if you are like me, you have to work at it. It was his natural way. One of the last things Larry told me was, "Look up at that beautiful blue sky. You can see your breathe this crisp, beautiful day. Good friends, good fellowship, man it's good to be alive. I have a wonderful family. God has blessed me all my life." Yes, Larry was Man's Man, and a best friend to all who knew him. I am proud to have known him and call him - My Best Friend!
