GRAND KNIGHTS MESSAGE

Brother Knights as I sit here writing my final Grand Knight report I have done a lot of reflecting on the ride that I just took. All I can say is WOW whatta ride. This ride is one that I would not trade for anything. During my time as GK I had the opportunity to witness so much in the way of our main principles of our order. The principle of Charity stands out the most. Our organization has been so wonderful for so many people. I have had the opportunity to hand money to charitable organizations and families that are need of our support. Oh how humble these people are. We changed the lives of many people and I would not trade the awesome experience for anything.

Brothers, we can however do so much more. We have a council of over 500 members, one of the largest in the state of Arkansas. However as the ole saying go's 20% of the people do 80% percent of the work. Can you imagine what we could do if we could get just 20% more of our council involved?

This is the plead of my final report. Please get involved. Help Jim Pollock (incoming GK) and his new officers build a stronger council.

Blood Drive

We were a little disappointed with the turnout for our last blood drive at the KC hall. We had about half as many donors as last time. Lets see if we can beat that number at our July blood drive. More info to come in next months newsletter.
